

# SUGGESTED ACTIVITIES DURING A PICCOLO OBSERVATION

Read a book together with or without words

Play with manipulative toys: puzzles, blocks, shape sorter, playdough, art supplies, etc.

Pretend play using everyday items such as toy food, kitchen set, dolls, stuffed animals, cars, cash register

Do a typical family routine such as eating a meal, cleaning up, brushing teeth

Planned home visit activities that involve parent child interaction together. Example: Gikinawaabi lesson

**SUGGESTED ACTIVITIES SHOULD BE DONE WHEREVER THE FAMILY IS COMFORTABLE, ENGAGE THE PARENT AND CHILD, AND LAST 10 MINUTES.**
