FALLING LEAVES MOON

TAKE HOME BOOK - INSTRUCTIONS

The following pages are a book describing the moon for your class to have their own individual book or to share with their families.

- Have your students assist in this process as much they can.
- These can be for in the classroom and to send home.

Steps for assembly:

1. Print out the cover page through page 5 of the book for each student.
2. Cut them in half. (Use a large paper cutter if your school has one)
3. Put the pages in the correct order.
4. Bind them together using staples, hole punch, etc.
