

Low or No-cost Breast and Cervical Cancer Services Available for Women

Breast and Cervical Cancer Control Navigation Program is ready to help.

Whether insured or not, the Breast and Cervical Cancer Control Navigation Program (**BC3NP**) will help women receive the care they need.

The BC3NP can arrange for program-eligible women to receive breast and cervical cancer screenings, follow-up care for an abnormal test result, and treatment – if breast or cervical cancer is diagnosed.

Eligible women must be between the ages of 21-64 (cervical) and 40-64 (breast) with an income less than 250 % of the Federal Poverty Level.

# of people in the household	Yearly Income	# of people in the household	Yearly Income	# of people in the household	Yearly Income
1	\$37,650.00	3	\$64,550.00	5	\$91,450.00
2	\$51,100.00	4	\$78,000.00	6	\$104,900.00

- Uninsured women can enroll in the program and receive cancer screening services (mammograms and Pap tests) at no cost.
- Underinsured women (women with high deductibles) may receive screening and/or diagnostic services not paid by their insurance.
- Insured women can receive assistance by program navigators to receive screening, diagnostic and/or treatment services.
- Women diagnosed with breast or cervical cancer may also be eligible to receive treatment through the BC3NP Medicaid Treatment Act (MTA).

Call **906.632.6897 x108** or email **kwebrave@itcmi.org** to find out if you are eligible to receive program services.
